INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

John W. Berry.

Vinita, Indian Territory.

Sir:

Receipt is acknowledged of your application for participation in the Eastern Cherokee Funds, also supplemental application for the minor heirs of your deceased half-sister, Gertie Brown.

It does not appear, from the records of this Office, that there has been an original application filed for these children, nor is it shown through what line of descent they claim. There is, therefore, enclosed herewith a blank which you will fill out for Georgia C. C. Brown, the minor who is in your care and custody. The other children will have to be applied for by their legal guardian or the party having them in charge.

You do not state whether or not the father of the children is living; if such is the case, he must make application for all of them, as their natural guardian in the absence of a legal guardian.

You are requested to give this matter prompt attention.

Very respectfully,

Special Commissioner.

Receipt is acknowledged of supplemental application filed by you as guardian of George Fenton Carl Curtis Brown, a minor.

**SPECIAL COMMISSIONER OF THE COURT OF CLAIMS,
EASTERN CHEROKEE ENROLLMENT,
601 OURAY BUILDING,
WASHINGTON, D. C.**

June 29, 1907.

John W. Berry,

Vinita, Indian Territory.

Sir:

Receipt is acknowledged of your application for participation in the Eastern Cherokee Enroll, also supplemental application for the minor heirs of your deceased half-sister, Bertie Brown.

It does not appear, from the records of this Office, that there has been an original application filed for these children, nor is it shown through what line of descent they claim. There is, therefore, enclosed herewith a blank which you will fill out for Georgia C. C. Brown, the minor who is in your care and custody. The other children will have to be applied for by their legal guardian or the party having them in charge.

You do not state whether or not the father of the children is living; if such is the case, he must make application for all of them, as their natural guardian in the absence of a legal guardian.

You are requested to give this matter prompt attention.

Very respectfully,

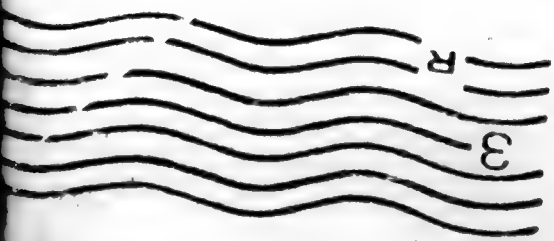

James Miller,
Special Commissioner.

Kind Sir:

Your letter of the 7th inst.,
is at hand, and was glad to hear
from you, and now in regards to our
matter, and interest in the Cherokee
fund, I wish to say that I will
or we will endeavor to answer your
letter, now in regard to the names
of my parents, and other ancestors
not appearing on the Cherokee rolls,
at the dates of 1835 and 1851. I can not
tell or say anything about it, I don't know
whether my parents, or other ancestors

of mine, were ever excluded, from money, annuities, or other benefits by the tribe or not, or whether they were emigrating, or wandering away from the tribe at that time or not, but 1851, I was borned in the state of Tennessee, and my parents and other ancestors of mine no doubt were there, but why they were not enrolled at that time on the Cherokee rolls, I've been unable to find out, but just a few months after I was borned, they were emigrating west for Indian Territory, but failed to reach

that country, and as to
whether, my parents, and other
ancestors of mine, were ever
held as slaves, by white
people or Indians or not
I cannot say, and in regard
to my parents ever participating
in any old settler payment, I
don't believe, that they ever did.
As to my wife possessing any
Cherokee blood, she do not.
To the best of my knowledge, of
my parents, living with any
tribe of Indians, in 1851,
no, doubt they were among

or living with the Cherokee
 tribe of Indians, in the
 state of Tennessee, of
 Hancock County, now
 in regard to my Cherokee
 Ancestry, I wish to say
 that my father was half breed
 of the Cherokee tribe of Indians,
 and my mother was about one
 fourth Cherokee and my
 grand father on my father
 side, was a full blood, and
 my grand mother was a white
 woman, and I also have
 an uncle out in the Territory.

some place, who also
 emigrated, about the time
 my parents, was emigrating
 but I never could find
 a trace of him, no where,
 in that country, his name
 was Hiram Padmore,
 and I believe this is about
 all I can say, in regard to
 my Cherokee ancestry, my
 father died when I was

COURT OF CLAIMS

Gen. Simon Hill, Secial,
"Comm."
Washington, D.C.
Dear Sir:

Your letter of the
24 inst. received to-day,
and your advice, appreciated,
thanking you also, for the
Application blank, which
I have on the benefit of
my father-in-law, who is also
interested. Now Mr. Miller will
soon please inform, or advise
me once more, in regard to this
matter, was the Application, ^{sent}
properly filled, and accepted,
or not, or did we make any
mistake in filling out the
Application blank, if so.

(21)

May we have the chance of properly
correcting those mistakes,
if it is too late, will you please
advise me also about how much
will this tribe of Indians draw,
Will you please inform me also,
whether my wife is excepted or
not on this roll, will she stand
any show of sharing in this
annuity or money, please advise
me for I am interested in this
matter and it is so that my
wife can share in this money,
I want her to get it.

Edw. Miller.

App. #26315.

September 13, 1907.

Albert Miller,

Racine, Missouri.

Sir:-

Replying to your letter of September 6, 1907, relative to your wife's application for participation in the Eastern Cherokee fund, you are advised that the same has not been reached for final determination and we cannot advise you whether she is entitled to share in this fund.

When this application is reached for final consideration your wife will be notified if there is any further information required.

Very respectfully,

Special Commissioner.

NLC.

App. #26315.

July 29, 1907.

Albert Miller,

Racine,

Missouri.

Sir:-

Replying to your letter of July 22, 1907, you are advised that it will not be necessary for your wife to file a supplemental application for her minor children, as she has included them in her original application.

You are further advised that the applications have not been taken up for final consideration, as the Court of Claims in its order of April 29, 1907, has extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them, or to state how much each successful claimant will receive.

As there are already over 30,000 applications on file and the claimants are widely scattered through the United States it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

#2--Albert Miller:

If there is any further information required in connection with your wife's application she will be notified.

Very respectfully,

Special Commissioner.

NLC.

My father was never enrolled as I know of. My father did not have any other name than Pradmore as I know of. I was a small boy when my father was taken away from me. I can remember him and that is about all. I could not tell you anything more about my case.

My dear Sir:

Your letter notifying us that you had recommended the rejection of application, Ada Clingman Robinson, No. 26,329 - in re Eastern Cherokees, is hand, and I am writing to ask if you can kindly give me some specific points wherein her claim is defective, as her descent from Donna Croo, the Cherokee chief, through his daughter Betty Pledge, we have always thought to be unquestionable. If, therefore, you can give me some pointer to guide me in taking advantage of the Court of Claims' exception.

Sincerely, Jos. E. Robinson

NOV 2 1909

Oct. 30 " 109"

Dear Sir -

Here we are at about the
limit of the time given to
us for further investigations
along the "Cherokee" Lines!
I have been unwell so
much of the time lately
I would have written you
before now - I trust you
have not utterly thrown
our "claims" overboard -
I reached here yesterday
leaving Colorado hastily, taking
a young child who had been sick

to its home² after a visit to me.
I forgot to bring a very inter-
-esting paper on the life
of the Cherokee Chief, Junaluska
which had just been
furnished to me by the
D. A. R. & which I regret
so much, as would like you
to read the same. It
has been recently shown
from other sources, that he
was a brother of our
ancestress, Pettie Pledge
Powdery, hence, a grand
son of Donnah. Making
Junaluska a great uncle
of my Father, Henry Pettie
Chigman, whose

claim³, with ours, has
been with you, three &
more years. It does
seem dreadful, that
these Powdery Claims
have seemed other than
valid, to your mind.
We all feel that they
are just, tho you may not.
If none of us may be
included in the distribution
of funds, I beg you to
have a sum granted
for a monument to my dear
Father's resting place at
Goldboro, as he had 'no' a
dollar left at his death.

and I am ⁴utterly
unable to do so
having nothing but
some small done
on children's property
I am sorry to have
told you this, and it
has been chiefly for my
father's sake that I have
so greatly hoped for a
favorable ending to our
claims - you can visit
me here, until 15th Nov
With kindest regards &c

Dear Sir

The matter of Dr. Henry

for share in the Cherokee Fund
has been overlooked
at least, it has not been
heard from. - While the
others have been informed
as to theirs - My father having

others were sent in.
I have not heard from it.
I wrote you last week
asking about the same
Will you oblige me by

result of said claims,

utterly incredible that any
of our claims, (Better Pledge
Pindrafters descendants)
should have been rejected,
as it seems the prime, sub-
stantial facts were shown
up, quite plainly - in our
applications (However, we
hope to get our case over
the alleged alleged barrier
to a land in which we are
undoubtedly, entitled to share.
I greatly desire an answer
to Dr. P. Chiqua's claim
if you will kindly oblige

April 7, 1908.

Samuel V. Scott,
Stillwell, Okla.

Sir:-

With reference to application #26360 for your minor children to participate in the Eastern Cherokee Fund, I beg to state that it appears from the application that you are not claiming any Cherokee descent yourself, but that you are claiming for your children through their father. In the application you appear to have set up your own ancestry instead of giving that of the children. If you do not claim any Cherokee descent yourself, kindly furnish us with the name of these children's father, also the names of their paternal grandparents, and their uncles and aunts on their father's side. If any of their ancestors possessed Cherokee blood and were living in 1837 and 1851 and were enrolled with the Cherokees at those times, give the names under which they were enrolled. If not enrolled, state the reason why.

Have any of their ancestors ever been held as slaves? If so, were they owned by white people or Indians? Have they been enrolled by the Dawes Commission? If so, give the number of their enrollment and list of names of their children.

Very respectfully,

Special Commissioner.

Hon, Guion Miller.

Special Commissioner.

Washington D.C.

Dear Sir:-

I have been informed that there is a reserve fund to pay all Eastern Cherokees that were improperly left off the Miller Roll.

I have three children, Joseph, Agnew and Ollie Scott that should have been placed on that roll, and why they were not is somewhat of a mystery to me as all their ancestors participated in this fund.

Their Father was French Scott who was a son of Polly Scott, their grand-father on father's side was Liver Scott, their uncles who drew money are Huckelberry Scott, Dan Scott and their aunt Peggy Scott.

I made application for my children in the winter of 1896, and was before you when you were here taking additional testimony and had no idea of a doubt arising as to the legality of their claim.

Their application No, is 26360, they are allottees of Cherokee lands, their father, grand father and grand mother are all enrolled as full-blood Cherokees and have participated in all payments since the civil war.

I am a white woman and claim no share in the payment myself, but do claim for my little children who are Cherokees and entitled to share in this payment; proof positive can be furnished as to who their ancestors were and who drew money during this payment.

If there is yet a chance to have them placed on this roll, I desire that you take the matter up at once and see that justice is done them.

Hoping to hear from you at an early date in regard to this matter.

I am, Yours very truly.

Sir:-

Your letter of August 30, 1907, relative to the application of Joseph Button Hooper for participation in the Eastern Cherokee fund, is at hand.

The applications for participation in this Eastern Cherokee fund have not been taken up for final consideration, and we cannot state at the present time whether or not Mr. Hooper is entitled to share in this fund, or the amount each successful claimant will receive.

As there are over 40,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with the application of Joseph B. Hooper he will be notified.

Your postage stamp is returned.

Madam:-

In reference to your application for a share in the Eastern Cherokee Fund, I beg to inform you that same is too incomplete for me to form a basis of inquiry into its merits. Kindly furnish the following additional information.

What is your maiden name? Give the Indian and English names of each parent. Also the names of their parents and their sisters and brothers.

If you were on the Cherokee roll of 1851, under what name were you enrolled? If not, state why? Did you ever participate in any Old Settler movement? If so, state when and where. Have you been enrolled by the Dawes Commission? If so, give the number of your enrollment and indicate on what roll your name appears.

Have you ever been held as a slave? If so, by whom were you held?

Madam:-

Relative to your application for a share in the Eastern Cherokee Fund, I beg to advise you that I am unable to identify any of the parties mentioned therein, on either the roll of 1835 or 1851. If you claim any of your Cherokee ancestors were on either roll, kindly furnish us with the names under which they were enrolled. If not, kindly state the reason why.

Through which of your parents do you claim your Cherokee descent? Kindly trace the source of your ancestry, giving the full Indian and English names of each Cherokee ancestor and being careful to spell the same correctly.

Were either of your parents or any of your other ancestors ever held as slaves? If so, state by whom they were owned.

Give all the information you can tend to establish your right to participate in this Fund.

Very respectfully,

Special Commissioner.

App. #26402.

Lorenzo A. Metcalf,

R.F.D. No. 1,

Stithton, Kentucky.

Sir:-

Replying to your letter of September 13, 1907, you are advised that your application for participation in the Eastern Cherokee Fund has not been reached for final consideration, and we cannot state at the present time whether or not you are entitled to share in this fund.

As there are over 43,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your application you will be notified.

Very respectfully,

Special Commissioner.

App. No. 26407.

September 23, 1909.

A. Ballew,
18 Argard Avenue,
Atlanta, Georgia.

Sir:

Replying to your letter of September 20, 1909, in which you make inquiry as to the reason Frank C. Langley and child, Minnie Lee, were omitted from the roll, you are advised that Frank and Alfred Langley filed their applications on one blank and in making up the roll the names of Frank and his minor child were overlooked.

It will not be necessary for these parties to file an exception as we will make the correction and place the names on the roll.

In regard to the minor children of Mrs. Alice Bennett being omitted from the roll, you are advised that Mrs. Bennett failed to name her children in her application and they were therefore not enrolled with her. She has filed an exception and the matter will be taken up in due time.

Very respectfully,

Special Commissioner.

Union Miller, Special. Com.,

Washington, D. C.?

Dear Sir:-

Replying to your letter of 4/7 I beg to say that I was not born in the year 51 but was born in the year 56, My fathers name was Asa Walthal, my father live d with the cherokee tribe at the Cher kee Wath in the edge of N.orth & South Carolina, if his name does not appear in the rolls of 35 and 51 I cant explain this as he lived in the Indian Wath and peddled from that place to Carnsville, Ga. My mother was a Redman and I was born in the Indian Wath where my mothe died and her people, Sturdy Garner, took me and raised me. On account of this fact I know but little of my ancestry but I know that I was not a slave nor was my father a slave. My grandfather Walthal was a cherokee Indian and my mother was a white woman and my father a cherokee indian. On account of being carried away from my birth place in anfaney I cant tell you the names of my grandfathers children nor can I tell you how many..

My father lived with the cherokee tribe at the Wath on the line of North & South Carolina and neither of were ever held as slaves. I am half indian and on my fathers side all my ancestors were cherokee indians and on my mothers side all were white.

If there is any further information that you desire I shall take pleasure in giving it. This letter refers to Application

No. 23409.

Elizabeth White; being first duly sworn and examined,
deposes and says:

My name is Elizabeth White: I was born in Cherokee Co., N. C. 1846: none of the ancestors through whom I claim were ever held in bondage: I claim my Indian blood through my father: I never saw my mother, but I think that she was of African descent: my father's name was Asa Warshaw: I think that my father was born in S. C., but I do not know what part nor when he was born: I am unable to trace my Indian ancestry farther back than my father: my husband is of African descent; my father lived with the Cherokee Indians in N. C.: I do not know where my father lived in 1835: in 1851 I lived in Franklin Co., Ga., but I do not know where my father was living at that time: I do not know of any of my ancestors through whom I claim ever being enrolled: I am regarded as a colored woman in the community in which I live: I know of nothing more in regard to my Cherokee Indian ancestry: the lady who brought me up told me that my father was a full blood Cherokee Indian; I do not know the Indian name of my father: none of my ancestors ever went west with the Indians.

Madam:-

Replying to your letter of July 29, 1907, you are advised that the applications, for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, have not been taken up for final consideration, as the Court in its order of April 29, 1907 extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them, or to state how much each successful claimant will receive.

As there are already over 31,000 applications on file and the claimants are widely scattered through the United States it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

It is not necessary for claimants to employ attorneys to represent them in this matter unless their cases are very

App. #26417.

September 9, 1907.

Nellie Pitman,
Wannville,
Alabama.

Madam:-

Replying to your letter of September 4, 1907, you are advised that it is not necessary for claimants to employ attorneys to represent them in the matter of the enrollment of Eastern Cherokees, unless their cases are very complicated.

You are further advised that the applications for participation in the Eastern Cherokee fund have not been taken up for final consideration, and we cannot state at this time whether or not you are entitled to share in this fund, or the amount each successful claimant will receive.

As there are over 40,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your application you will be notified.

Very respectfully,

NLC

Special Commissioner.

Sir:-

Relative to your application for a share in the Eastern Cherokee Fund, kindly state why neither of your parents have made application. Give us their present addresses.

Do you claim Cherokee descent through one or both parents? Did any of your ancestors ever live in any Cherokee country? If so, state when and where. Did any of them ever live with the Cherokees or take part in their tribal councils?

Kindly trace the source of your Cherokee ancestry fully, giving the full Indian and English names of each ancestor who you claim possessed Cherokee blood, and if none of them have ever been enrolled, explain why.

Were either of your parents or any of your ancestors ever held as slaves, and if so, were they owned by white people or Indians?

Very respectfully,

Special Commissioner.

Guion & Miller,

Gentlemen:-----

In answer to your letter under application No. 26450, dated April 7th, 1908 will state in answer to your first question the reason my name does not appear on the roll of 1851 is because I am one eight Cherokee.

My Father, William Williams lived on Ellijay Creek, Macon county, N.C. 1835. I claim no Cherokee ancestry on my mothers side.

Amy Williams, my grand mother died about 1850, on Watauga creek, Macon County, N.C. She was said to be about one half Indian. She was said to be a Davis on her fathers side.

Thomas Williams, my grand father died in Macon county, N.C., on Ellijay Creek about the year 1856, He being a regular pensioner of the Revolutionare War you can gather the information as to the time of his death from the pension office at Washington, D.C. and his post office was Franklin, N.C. at the time of his death.

My father only had one sister who was married to a man by the name of Sanders of Macon County, N.C. I am unable to trace the lineage further than I have told you, but Thomas Williams, my grand father served in the revolutionary war under General Green, but I do not know when he enlisted, or when he was discharged.

When I was a young boy, Charley Hornbuckle, a one half Cherokee would visit my fathers home, and would stay quite often as long as a week, and would claim to be related to my father through the Cherokee blood.

Charley Hornbuckle lived in Jackson County, N.C. which was at that time old Macon County. He lived on a creek which still goes by the name of Savannah. Charley Hornbuckle is dead, but he has relatives still living known as half breeds in the Indian reservation. I think they are in Swain county, but on the reservation.

I am enclosing a certificate of one Noah Wilson, who is 91 years old, who knew my grand father, grand mother, father, mother and my self, and he is willing to come and make the same application before a Notary Public. As for any other information you desire writome, and I will try to answer properly. Please take this matter up at once as all of my witnesses are dead, except Noah Wilson, and if he was to drop off I would be unable to prove my case. Please direct mail in the future to R.F. Jarrett, Dillsboro, N.C.

Very truly,
 Jessie K. Williams

Personally appeared before me a Justice of Peace, Noah Wilson, who is
 Ninety two years old who makes oath to the following statement.

I knew Thos Williams and his wife Amie Williams, who were living in
 Macon County, North Carolina, in the years between 1835 and 1845, who were
 the parents of William Williams, who was the father of Jesse K. Williams
 the claimant for participation in the fund arising to the Eastern band
 of Cherokees, and we recognized Amie Williams the claimants grand mother
 of Jesse Williams, as being a Cherokee Indian, of about half blood, and the
 reason why she was never inrolled, was that she had married Thos. Williams
 who was recognized as being white, but who had about an eighth Cheroкке
